

Dignity Revolution is a K-12 comprehensive, educational program that fosters positive cultural change in schools and communities. This program addresses critical social competencies necessary for academic success such as understanding emotions, self-management, responsible decision-making, and interpersonal relationship skills. Our mission is to educate and empower youth to stand up for the value every person.

The program offers three main components that can be used individually or combined for greater results:

Dignity Revolution Assemblies

Engaging program on living life to the fullest with an opening act intrinsic to the presentation.

Dignity Revolution Trainings

Participants will learn skill-based activities that enhance a students' capacity to effectively use social and emotional skills personalized for your school.

Dignity Revolution Challenge

K-12 evidence-based curriculum, purposefully aligned with the National Health Standards and social and emotional competencies featuring over 70 hands-on interactive lessons critical to foster the mental health and wellness of our students.

"The authenticity & vulnerability of the presentation was most helpful. This is what our kids need!! Our teachers need to experience a paradigm shift! Thank you."

– Nichole Frederick, Principal

"Wow! I was engaged the ENTIRE time we were at this training! Everything was so well planned and sequenced. The stories and activities related perfectly to each topic. Never a dull moment--thinking and engaged the entire time we were there! Amazing job!"

– Mandy Assalone, Teacher
